ODISHA STATE OPEN UNIVERSITY (OSOU)

Odisha State Open University (OSOU) is the first and only State Open University in Odisha, dedicated to expanding access to quality higher education through Open and Distance Learning (ODL) and Online Learning (OL). The University aims to provide flexible, inclusive, and skill-oriented education to learners across the state, particularly those who are unable to pursue conventional higher education due to geographical, social, or economic constraints.
OSOU places strong emphasis on education, vocational training, and lifelong learning to enhance employability and professional competence, especially among marginalized and underserved communities. Through the integration of technology-enabled learning, industry-relevant curricula, and practice-oriented pedagogy, the University strives to bridge the gap between academic knowledge and industry requirements.
Aligned with the national vision of expanding higher education, OSOU contributes to improving the Gross Enrolment Ratio (GER) in higher education in the state and promotes accessible, affordable, and learner-centric education. To strengthen the digital learning ecosystem, the University has adopted a Learning Management System (LMS) that facilitates online teaching–learning processes, assignment submission, and evaluation. The LMS enables learners to access digital course materials, interactive learning resources, and continuous assessment tools, ensuring transparency, flexibility, and efficiency in the evaluation system.

OSOU continues to expand it's academic offerings and learning initiatives to support inclusive education, community development, and skill enhancement, contributing to the overall educational and socio-economic development of Odisha.

HOW TO REACH SAMBALPUR

- Air Connectivity: The nearest airport to Sambalpur is Veer Surendra Sai Airport Jharsuguda (JRG) which is 50.4 km away. Sambalpur's air connectivity is supported by other two major international airports:
  - Swami Vivekananda Airport in Raipur (265 km away) and
  - Biju Patnaik Airport in Bhubaneswar (300 km).
- Rail Connectivity: Sambalpur is a divisional headquarters of East Coast Railway, with four railway stations (Sambalpur, Sambalpur Road, Hirakud, and Sambalpur City). It offers direct rail links to major cities like Delhi, Mumbai, Kolkata, and more.
- Road Connectivity: The city is positioned along National Highways 6 (Mumbai-Kolkata) and 55 (Bhubaneswar). It has two bus terminals: the Government Bus Stand at Laxmi Talkies Chhaka and the Private Bus Stand at Ainthapali, providing frequent services for regional travel.

SUCCESS STORY
PRAYAS '25

PRAYAS has emerged as a vibrant national academic platform that encourages youth-led research, innovation, and socially relevant scholarship, reflecting OSOU's commitment to inclusive and future-oriented education.

PRAYAS-2025 witnessed enthusiastic participation from scholars, researchers, and academicians across India. The conference promoted interdisciplinary discussions on sustainability and social transformation, with support from ICSSR, Mahanadi Coalfields Limited, and Tata Power Western Odisha Distribution Limited, strengthening academia–industry collaboration.

Participants were provided a comprehensive conference kit that included a trolley bag, stationery, pen drive, and other useful academic resources. One of the most engaging highlights of the conference was the Podcast Session, which created an interactive platform for scholars to share research insights and academic experiences.
academic engagement.
